Dear Parents/Guardians

SCHOOL FEES FOR THE YEAR 2027

We would like to express our sincere gratitude for your continued trust in and support of Theodor Herzl Schools. We understand the financial challenges many families are facing, and we have carefully reviewed our School's financial situation.

As is customary at this time of the year, the Financial Sub-committee of the Board of Governors has conducted a detailed process to establish the required annual adjustment in school fees for the upcoming year.

After a comprehensive assessment and in light of the current economic circumstances, we have re-adjusted the school fees for the upcoming academic year. The difficult financial climate in which we all exist has been uppermost in our thinking, strategizing and planning.

We are mindful that annual school-fee increases are a reality across the independent-school sector and that any increase places an additional responsibility on our families. In setting our fees for 2027, we have therefore been particularly careful to keep adjustments as measured as possible.

In a few grades, we have applied a zero increase, so as to streamline our fee structure and create greater consistency across the Schools. We have done this thoughtfully, with both the long-term sustainability of Theodor Herzl and the financial realities facing our families firmly in mind.

It goes without saying that we are and remain, committed to providing the same high-quality education and support for which Theodor Herzl Schools is known. Our dedicated teaching and administrative staff continue to work tirelessly to ensure that your child/ren receive the best possible education and opportunities for growth.

It is important to know what our school fees include. In many cases, our offerings are considered extras (paid for by parents) at other schools. Not at Theodor Herzl Schools. These inclusive services and offerings are reflected at

the end of the school-fee schedule. We strive to ensure that our school fees are a “one-stop shop.” What you see on the schedule is what you are eligible to pay. There are no unexpected “pop-ups” with regard to monthly fees.

I thank our Chairman of the Finance Committee, Mr Alan Goldberg, and our Bursar, Mrs Ingrid Carter-Raine, for their unfailing support, and for the careful and prudent manner in which they handle the finances of our School.

Your continued support of our School is much appreciated.

Yours sincerely

VIKTOR KURZ
